RED Hub Events 2022

RED Hub | EMCA | External | Shut up and write | HDR | RDS*

* Please note: this is not all the RDS activities, only the ones we wanted to build follow-up/practical activities around

	Please note: these dates are provided as a rough guide and sessions may change at any time. Please see the FHMRI calendar and RED Hub events page for up-to-date information.	Estimated Week Commencing / Activity Type	3-Jan	10-Jan	17-Jan	24-Jan	31-Jan	7-Feb	14-Feb	21-Feb	28-Feb	7-Mar	14-Mar	21-Mar	28-Mar	4-Apr	11-Apr	18-Apr	25-Apr	2-May	9-May	16-May	23-May	30-May	6-Jun	13-Jun	20-Jun	27-Jun	4-Jul	11-Jul	18-Jul	25-Jul	1-Aug	8-Aug	15-Aug	22-Aug	29-Aug	5-Sep	12-Sep	19-Sep	26-Sep	3-Oct	10-Oct	17-Oct	24-Oct	31-Oct	7-Nov	14-Nov	21-Nov	28-Nov	5-Dec	12-Dec	19-Dec	26-Dec
Wellbeing	Imposter syndrome - staying well in your research	Presentation						X																																														
Communicating your research	Filming short videos for research profile	Group activity								X																																											
HDR	Milestones (HDR)	Event								X																																											
Communicating your research	Shut up and write - paper writing	Group activity									X																																										
Teaching/ Research Nexus	Formulating your teaching program (Karen L/Alison J)	Workshop									X																																										
Industry, external engagement/collaboration	How to form collaborative networks and effective teams	Presentation										X																																									
Industry, external engagement/collaboration	Speed dating - Getting to know CMPH	Group activity											X																																								
Supervision and stakeholder/consumer engagement	Shut up and write - supervisor compliance	Workshop												X																																							
Industry, external engagement/collaboration	Intellectual property information session	Presentation													X																																						
HDR	HDR Orientation	Event													X																																						
Supervision and stakeholder/consumer engagement	Getting the most out of Research Supervision (HDR and general)															X																																					
Communicating your research	Communicating how your research can make an impact	Presentation																X																																			
Communicating your research	Filming short videos for research profile	Group activity																	X																																		
Communicating your research	Shut up and write - paper writing	Group activity																			X																																
Communicating your research	Media training for researchers	Presentation																				X																															
CV Building/careers	Building CV/track record	Panel																					X																														
Communicating your research	Promoting publications and building a research brand	Presentation																					X																														
Communicating your research	Media training for researchers	Workshop																							X																												
HDR	Milestones (HDR)	Event																							X																												
Industry, external engagement/collaboration	Industry engagement session	Panel																								X																											
Industry, external engagement/collaboration	Formulating your industry pitch	Workshop																									X																										
Supervision and stakeholder/consumer engagement	Involving Aboriginal communities in research	Presentation																										X																									
Communicating your research	Social media for researchers	Presentation																												X																							
Communicating your research	Shut up and write - paper writing	Group activity																												X																							
Communicating your research	Using social media in research	Workshop																														X																					
HDR	HDR Orientation	Event																															X																				
CV Building/careers	Future pathways: career & life	Panel																																X																			
Supervision and stakeholder/consumer engagement	Shut up and write - supervisor compliance	Group activity																																	X																		
Supervision and stakeholder/consumer engagement	Consumer engagement	Panel																																				X															
Communicating your research	Shut up and write - CV writing	Workshop																																					X														
Communicating your research	Media training for researchers	Presentation																																									X										
Communicating your research	Social media for researchers	Presentation																																											X								
CV Building/careers	Mapping your research strategy	Workshop																																											X								
Communicating your research	Promoting publications and building a research brand	Presentation																																													X						
HDR	Milestones (HDR)	Event																																														X					
Communicating your research	Shut up and write - paper writing	Group activity																																															X				
NHMRC: Investigator	NHMRC: Investigator scheme - application process	Presentation					X																																														
Grant support (general)	Benchmarking your research career - tools and techniques	Presentation								X																																											
NHMRC: Investigator	NHMRC: Investigator scheme - peer review session	Group activity								X																																											
NHMRC: Investigator	NHMRC: Investigator panel session	Panel												X																																							
NHMRC: Ideas	NHMRC: Ideas - one pager	Group activity													X																																						
NHMRC: Ideas	NHMRC: Ideas - small group mentoring/review	Group activity															X																																				
NHMRC: Ideas	NHMRC: Ideas - Crafting your impact statement	Group activity																X																																			
Grant support (general)	NHMRC Funding schemes - an overview	Presentation																				X																															
Grant support (general)	Seed grants - one pager	Group activity																						X																													
Seed Grants	Seed grants - small group mentoring/review	Group activity																								X																											
Seed Grants	Benchmarking your research career - tools and techniques	Presentation																													X																						
Grant support (general)	HDR grant writing session	Presentation										`																								X																	
ARC: DECRA	ARC: DECRA Development session	Workshop																																							X												
ARC: Future Fellowships	ARC: FF Development session	Workshop																																								X											
ARC: Future Fellowships	ARC: FF Development session	Workshop																																									X										
ARC: DECRA	ARC: DECRA Development session	Workshop																																									X										
ARC: Future Fellowships	ARC: FF - one pager	Group activity																																									X										
ARC: Future Fellowships	ARC: FF - small group mentoring/review	Group activity																																											X								
ARC: DECRA	ARC: DECRA Development session	Workshop																																											X								
Grant support (general)	Benchmarking your research career - tools and techniques	Presentation																																											X								
NHMRC: Investigator	NHMRC: Investigator panel session	Panel																																														X					
ARC: DECRA	ARC: DECRA - one pager	Group activity																																															X				
ARC: Discovery	ARC: Disc - one pager	Group activity																																															X				
ARC: DECRA	ARC: DECRA - small group mentoring/review	Group activity																																																X			

Grant support with dates to be advised

Investigator
Ideas
DECRA
Future Fellow
Discovvery
Seed grants
