

Flinders
UNIVERSITY

CELEBRATING

40
YEARS

OF INDONESIAN STUDIES

EVENT PROGRAM

In 2018 we mark 40 years of Indonesian teaching, research, collaboration, hospitality, cultural celebrations and community engagement at Flinders University. This will be celebrated throughout the year with a series of events from April to November that reflect the richness of this history.

The past 15 years has seen the number of young Australians seeking to learn Indonesian drop to critically low levels and universities across Australia have closed Indonesian programs; yet Indonesian at Flinders has prevailed.

We invite you to celebrate 40 years of Indonesian Studies at Flinders University with us. Please note, more events may be added throughout the year.
