

Bachelor of Engineering (Maritime) (Honours) High Achiever Scholarship Rules

Purpose

The purpose of this scholarship is to support high achieving students commencing a Bachelor of Engineering (Maritime) (Honours) degree. The scholarship is funded by a donation from EJC Carr & Associates.

Number of scholarships

One scholarship will be available per annum, subject to funding.

Value

Each scholarship will have a value of \$2000.

Eligibility

Applicants must:

- be commencing the first year of the Bachelor of Engineering (Maritime) (Honours) at Flinders University; and
- normally be enrolled full-time; and
- be an Australian citizen, permanent resident or permanent humanitarian visa holder; and
- have a minimum ATAR of 80 (after the addition of any bonus points), or equivalent score used to gain entry into the course.

Applications will be accepted from part-time students who have extenuating circumstances that prevent them from studying full-time (e.g. disabilities, carer responsibilities). Part-time recipients will be paid pro-rata for a maximum of 2 years.

Selection

The scholarship will be awarded on the basis of academic merit. Selection will be made in accordance with procedures approved by the Director, Student Administration.

Tenure

The scholarship will be valid for one year.

Leave

Leave from the scholarship can be taken concurrently with leave from study for a maximum of one semester.

Applications

Applications should be submitted online through the Flinders University Student Information System by the specified closing date.

Advertising

The availability of the Scholarship will be advertised on the University's website.
