## Are you finishing high school?

Unique in South Australia, this course was developed after consultation with senior public sector leaders. As a high school leaver you will immerse yourself in a course that equips graduates for a wide variety of roles in public administration and to work at the expanding interface between government, business and non-profit sectors.

## Are you a current government employee?

Ideal for upskilling public sector 'rising stars', this course is perfect for the next generation of public sector professionals wanting to excel in their career and drive economic, social and political change. The flexible delivery modes allow you to continue to work while you study.

## Have you graduated with a relevant TAFE/VET diploma/advanced diploma?

A pathway has been designed for people who have graduated with a TAFE/VET diploma or advanced diploma in management, business, government or related areas. Applicants who have completed such an award will receive credit amounting to half of the course requirements for the Bachelor of Public Administration – 1.5 years of credit.

## IMMERSE YOURSELF IN INTERNSHIP OPPORTUNITIES

- Develop your skills and undertake internship opportunities such as the South Australian Parliamentary Internship and the South Australian Government Cabinet Office Internship.
- Explore the opportunity to be placed in Cabinet Office and gain first-hand experience working for the State Premier.
- Gain practical experience by undertaking a work placement topic. Students have been placed in statutory agencies, government departments and non-government organisations where they have undertaken research projects and had first-hand experience of working in the sector.
- Students also have the opportunity to travel and gain experiences overseas.
- For some students, the Washington Internship is an option, or cross-institutional study at an overseas university.

*"My Diploma of Management from TAFE allowed me to study public administration at Flinders via the VET pathway. The online delivery enabled me to balance a busy full time job working overseas with Médecins Sans Frontières (Doctors Without Borders) and the birth of two children while I studied. I was able to study while in some of the most inhospitable places on earth, like the Somali border of Ethiopia. I liked the variety of topics available, especially that I was able to incorporate some International Relations topics."*

# GRADUATE PROGRAM IN PUBLIC ADMINISTRATION

- Learn from the best with our three times nationally awarded\* teaching team of academic and public sector professionals
- Articulated program recognised nationally and internationally for academic and professional purposes
- Understand the increasingly complex environment of government in which challenges cut across organisational, disciplinary, jurisdictional and geographic boundaries
- Develop and hone your practical and critical thinking skills by learning a multidisciplinary and global perspective on issues
- Extend your learning with case studies drawn from different countries, interactive learning such as classroom, online discussion and role plays

\* Two graduate program in public administration academics have received citations for Outstanding Contributions to Student Learning from the Office for Learning and Teaching in 2009 and 2014.

## EMERGING LEADERS

The graduate program in public administration is postgraduate study designed for emerging leaders of government, non-government and private sector organisations within Australia, the region and internationally.

## BLEND THEORY WITH PRACTICE

We emphasise the importance of learning and applying theory (what is known, and how it is understood) relating to public administration and management to practical, real life policy problems – that is, problems that students may actually face as public servants or policy analysts. We offer these courses in the program:

- **Master of Public Policy and Management**  
SATAC CODE: 2CM235
- **Master of Public Administration (Policy)**  
SATAC CODE: 2CM035
- **Master of Public Administration (Management)**  
SATAC CODE: 2CM034
- **Master of Public Administration**  
SATAC CODE: 2CM032
- **Graduate Diploma in Public Administration**  
SATAC CODE 2GD026
- **Graduate Certificate in Public Policy**  
SATAC CODE: 2GC038
- **Graduate Certificate in Public Sector Management**  
SATAC CODE: 2GC039

## Need flexibility in your study?

Teaching takes place in a number of modes and locations to suit your needs. At the Bedford Park campus in South Australia, topics are offered in small seminar groups week to week. At our Victoria Square location in the city, topics are offered in intensive mode or by weekly seminar. All core and most elective topics are also available online.

## Want to study completely online?

The Graduate Certificate in Public Sector Management, the Graduate Certificate in Public Policy, the Graduate Diploma in Public Administration and the Master of Public Policy and Management are all available for full online delivery and can all be completed online in an accelerated format. The Master of Public Policy and Management can be complete in as little as eight months with credit from previous study.

*“The Master of Public Administration has been invaluable to my career. It opened up a whole new world for me, providing just the right mix of theoretical concepts and practical tools that could be directly applied to my work.”*

Georgina Cope,  
Master of Public Administration  
(Management) graduate

*"Studying public policy and management provided a way to clearly articulate the work I do. I'm a working mum who has worked in politics, as a media advisor, policy advisor and chief of staff, so I'm busy and time poor. I studied whilst working and found theories and structures from my online learning were able to be applied in the workplace easily. I love the opportunity to investigate a problem thoroughly and work hard on finding solutions that will help people. The online learning environment at Flinders suited my lifestyle well."*
