Flinders University acknowledges the Traditional Owners on lands in which its campuses and centres are located and honours Elders past and present. These are the traditional lands of the Arrernte, Barngarla, Boandik, Dagoman, Erawirung, Gunditjmara, Jawoyn, Kurna, Larrakia, Nauo, Ngadjuri, Ngarrindjeri, Peramangk, Ramindjeri, Wardaman, Warumungu and Yolngu peoples, spanning across South Australia, the Northern Territory and Victoria.

# At Flinders, it's all about your career

## Combine your degree

Flinders University offers a range of flexible degrees covering areas such as criminology, laws and legal practice, forensics and cybersecurity. Combine your degree to pursue multiple passions and broaden your job prospects. Graduate with the skills and knowledge to take your place in an ever-changing world.

## Experienced teaching made personal

Flinders has the state's largest and longest-running criminology program, and the most innovative and access-to-justice-focused law team. Our classes are comparatively small with, on average, 40 students per topic. That means our teachers and staff will know your name and customise learning to suit you.

## Hands-on experience

Flinders' Work Integrated Learning (WIL) enables you to gain work experience while you study. You'll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities.

"The sense of community and support at Flinders Law is second to none. The lecturers and academics are passionate, experienced, immensely supportive and caring."

## Brayden Mann

Bachelor of Laws and Legal Practice

# No. 1 in SA for starting salary in Law\*

\* The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

## Law

**Our society needs legal professionals empowered to face the legal and technological challenges of our changing world. Flinders Law has the most innovative law curriculum in Australia. Join us and become a future-ready leader. You'll also study the academic components required for admission to legal practice, with a legal team committed to your future.**

### **Innovation is the future of law**

You'll graduate future-ready with three innovative topics including: Legal Innovation and Creative Thinking, Innovation for Social Justice Impact, and From Innovation to Impact. In Law in a Digital Age, you'll work with computing science students to create a simple legal software for a not-for-profit client, collaborating to make a real difference to increase access to justice.

### **Four professional placements**

Students participate in professional placements providing real work experience to develop networks and be prepared for a successful career. At Flinders as part of Law in Action, you'll undertake a semester-long placement for one day a week, putting what you've learnt into practice with either the Flinders Legal Centre or industry partners, in addition to the Law in a Digital Age topic where students work with a not-for-profit client. Legal practice students also undertake 225 hours of workplace experience.

### **The only all-in-one degree in SA**

At Flinders, you'll be ready to practise because it offers the only integrated undergraduate legal practice degree in South Australia. You'll undertake practical legal training in your final year of study. This enables you to seek admission from the Supreme Court of South Australia to practise law right after you graduate.

## Five stars for learning resources in Law\*\*

\*\* The Good Universities Guide 2020 (undergraduate), public SA-founded universities

**“What makes  
Flinders special is  
the people.”**

“I have a great support network of friends. We truly do support each other in whatever we do, and the support from lecturers is amazing. You can undertake a law degree anywhere, but it’s the people at Flinders that get you through to the end.”

**Ashley Ramachandran**

# Pathways to study

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

## If you have secondary education

### Year 12 Entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

[satac.edu.au](https://satac.edu.au)

### Guaranteed entry

If you achieve an ATAR equal or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

### Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 19 for further details

### Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

[flinders.edu.au/study/sport/elite-athletes](https://flinders.edu.au/study/sport/elite-athletes)

### Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

[flinders.edu.au/study/pathways/year-12-entry/research-project](https://flinders.edu.au/study/pathways/year-12-entry/research-project)

### School Recommendation Program

We may consider your school's recommendation about your academic performance as part of your admission into Flinders.

### uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don't do well, we will only consider your highest selection rank.

[flinders.edu.au/unitest](https://flinders.edu.au/unitest)

### If you haven't achieved the results you expected

If you haven't achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

[flinders.edu.au/study/pathways/flinderslink](https://flinders.edu.au/study/pathways/flinderslink)

# If you have work and life experience

## Foundation Studies

The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

[flinders.edu.au/study/pathways/foundation-studies](https://flinders.edu.au/study/pathways/foundation-studies)

## Military Pathways

Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

[flinders.edu.au/study/pathways/military-veterans](https://flinders.edu.au/study/pathways/military-veterans)

## Adult Entry

The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

[www.satac.edu.au/stat](https://www.satac.edu.au/stat)

Alternatively, you may wish to consider an undergraduate certificate or diploma. These shorter courses allow you the opportunity to explore your interests and to progress to further study. Certificate courses are Commonwealth supported.

[flinders.edu.au/pathways](https://flinders.edu.au/pathways)

# If you have some higher education

## Tertiary Transfer

If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

## TAFElink

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

[flinders.edu.au/tafelink](https://flinders.edu.au/tafelink)

## TAFE SA Dual Offers

Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

# Student support

Whatever you decide to study at Flinders, we're always here to help you succeed.

## Careers & Employability Service

The Careers and Employability Service helps give you the edge in your career. # Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

## Are you eligible?

To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander in accordance with the Commonwealth definition, which requires you to:

- be of Aboriginal or Torres Strait Islander descent, and
- identify as an Aboriginal or Torres Strait Islander, and
- be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived. You may be currently studying Year 12 or be a non-school leaver.

## How to apply

1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission application form.
2. Complete the Indigenous Admission Scheme Application form online ([flinders.edu.au/indigenousadmissions](https://flinders.edu.au/indigenousadmissions)). If you are having trouble completing an online application, you can request a paper based application via [ias@flinders.edu.au](mailto:ias@flinders.edu.au) or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

## Application and interview dates

First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

## EMILEE

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yunggorendi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

"I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren't available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me."

## Fees and charges

### Your course fees – Commonwealth support

All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you're an eligible Australian citizen, New Zealand citizen or permanent resident.

Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

### HECS-HELP loan

You won't have to pay your fees up-front if you're an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you're at uni at

# Glossary

There are many terms used within a university that may be unfamiliar or confusing. Below are a few terms that may need explanation.

## Admission pathway

Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

## ATAR

The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person's relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

## Adjustment factors

Often referred to previously as 'bonus points', these are additional points that may be used in combination with an applicant's ATAR to derive a person's course selection rank.

## Defer

Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

## Guaranteed entry selection rank

Achieve a selection rank equal to or above the published guaranteed entry selection rank and you'll be guaranteed a place at Flinders.

## Major

A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

## Minor

A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

## Offer round/s

Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

## Selection rank

The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person's course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.
