- ON & OFF CAMPUS ACCOMMODATION
- VIBRANT CAMPUS WITH 100+ CLUBS AND SOCIETIES
- QUALITY INTERNATIONAL STUDENT SUPPORT FOR ALL YOUR NEEDS

from Adelaide airport, railway station or central bus station

"If you're reading this to decide whether or not you want to go abroad, I just want to say: do it. I am definitely so thankful I did. There are so many things that I love about Adelaide, and they keep on unfolding."

Addison Woodside,
Pacific University, United States

"The university is absolutely beautiful! [There's] many spots with wonderful views over the city, the Hub is perfect for having lunch and when I really do need to study the Central Library is a good place for studying in peace."

Liselotte Vixseboxe
Utrecht University, Netherlands

THE COMPLETE EXPERIENCE

Dedicated Interantional Student Support

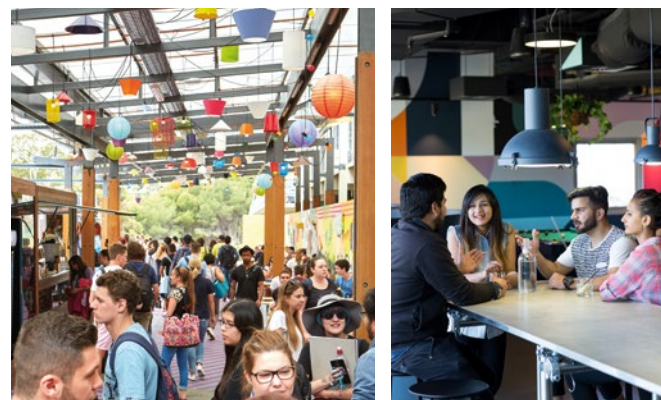

International Student Services organises a range of day and overnight trips to popular South Australian destinations: the Adelaide Hills to indulge in picking your own strawberries and cuddle a koala, Barossa Valley to sip Australia's globally awarded wines in the vineyards they're from, and Kangaroo Island for beautiful walking tracks, sea lions and the swirling ocean.

Several times a semester International Student Services run on campus events, where you can meet other international and local students, often over a hot drink and a sweet treat.

Life On Campus

Every semester begins with O'Week, a week of discovering the campus with a range of fun activities and events: magic shows, quiz nights, markets, Adelaide Fringe Festival acts, movie nights at the outdoor cinema, and a concert. After O'Week, there are many other opportunities to enjoy campus life: live bands playing in the Tavern, video gaming stations and club activities. FUSA, a student association dedicated to creating positive campus experiences, offers a range of free events including brunch, movie nights, massage and hair cut sessions. You can also study or relax in the Flinders' Student Hub, which offers an array of food, retail shops, computer and study spaces.

Studying

Flinders University offers subjects shaped by the latest research and delivered using practical, industry-focussed methods, an approach that has helped place Flinders University in the top 2% of universities in the world.* You can study with us as an exchange student for one or two semesters and pick the subjects that best suit your current degree at your home institution!
