

# 2021 Scientific Image Competition

**Flinders**  
UNIVERSITY

Entries in the Flinders Institute for Nanoscale Science and Technology's 2021 Scientific Image Competition are open to all Institute members.

You may enter a maximum of two images; each entry should be distinct. Images may include (but are not limited to) SEM images, graphical abstracts, AFM images, or any other visual representation created as a result of your work.

In addition to one overall winner, there will be awards in the following three categories:

- Bio-nano
- Energy
- Environment.

The winning images will be selected by a panel of judges. Each category winner will receive a \$50 gift card. The overall winner will receive a \$200 gift card.

Please email your completed form and image to [nano@flinders.edu.au](mailto:nano@flinders.edu.au). Entries will be accepted from 15 December 2021 until 28 February 2022.

*Note: By entering your image into the Flinders Institute for Nanoscale Science and Technology 2021 Scientific Image Competition you consent to your image being used for promotional purposes (for example on social media, or in the Institute's Annual Report).*
